

Patient Engagement Resources

During the June 18th webinar, the ACT Patient Engagement Committee provided a list of helpful resources which we have collected below

- [CanChild/Kids Brain Health Network/McMaster University - Family Engagement in Research - Initial Meeting Guide for Researchers](#)
- [CanChild/Kids Brain Health Network/McMaster University - Family Engagement in Research - Initial Meeting Guide for Family Partners](#)
- [Kidney Link - Resources for Kidney Research Patient Engagement](#)
- [Youth in Research Instagram Account](#)
- [CHILD-BRIGHT - Educational Materials](#)
- [CHILD-BRIGHT - 10 Tips for Engaging Young People in Research](#)
- [CHILD-BRIGHT - Tips for Researchers Working with Patient-Partners](#)
- [CHILD-BRIGHT - Tips for Patient-Partners Engaged in Patient-Oriented Research](#)
- [Better Impact - Collection of Patient Oriented Research Resources](#)
- [COMET - Patient and Public Involvement Toolkit](#)
